

RENTREE 2019-2020
Infant Community Supplies

A list of essential supplies was drawn up by our teaching staff to allow us to welcome your child in the best way possible.

Please remember that, as we follow the Montessori principles, we'll help your children to “do on his/her own”. It will therefore be easier if you dress them with easy clothes (elasticated pants, Velcro shoes... No buttons, no button-down shirts,)
